

Tire and Performance Specialist

A Note from Our Owner: COVID-19

At Xtreme Tire Garage, the safety and wellbeing of our customers, staff and community remain our priority. Our team is continuing to monitor the situation and will follow best practices from the government and leading health authorities as they emerge.

We have met with our team to ensure the following steps are in place:

- **Increased sanitation of high-touch areas**
- **Steps to limit any cleaning inventory shortages**
- **Staff are required to wash their hands upon entering and exiting the facility**
- **Staff that are feeling ill or have been travelling internationally have been asked to self-isolate for a minimum of 14 days**

We will remain vigilant in upholding these practices and will take additional precautions as recommended by the CDC, WHO, Health Canada and local governing bodies. Please don't hesitate to call or email us for more information.

We appreciate your cooperation and support as we work together as a team to responsibly manage this situation and will advise you on any further updates.

Jason Segato
